

Adobe Photoshop CS4 - Level 1

Duration: 2 days

Overview:

In this course, students use various tools and features of Photoshop CS4. They explore the interface, customize it, and use tools for selecting parts of images. They learn to use layers and to apply layer effects and filters for creating special effects.

Target Audience:

Adobe® Photoshop® CS4: Level 1 is intended for a diverse audience including, but not limited to, computer-savvy professionals who want to create and enhance graphics for marketing materials, newsletters, blogs, and websites; photographers who want to work with and prepare photos for print or web; students with an interest in graphic design or those with novice design skills; and professionals who want to learn and use Photoshop CS4 as a complement to other CS4 programs, such as Illustrator.
