

PRINCE2® - Practitioner

Duration: 2 days

Overview:

The PRINCE2® Practitioner is an intensive 2-day course combining revision sessions and PRINCE2® Practitioner exam practice sessions. The course is designed to effectively prepare you to sit and pass the PRINCE2® Practitioner Exam which will be taken on the afternoon of the second day. This 3 hour Objective Marked Assessment (complex multi-choice exam) will lead to the award of the PRINCE2® Practitioner Certificate and PRINCE2® Registered Practitioner status.

Target Audience:

The 2-day PRINCE2® Practitioner course is designed for project management professionals who have already taken and passed their PRINCE2® Foundation Exam; and need to apply the method in-practice and who require the internationally recognised PRINCE2® registered practitioner status. It is also mandatory for anyone wishing to become a PRINCE2® consultant.

Pre-requisites:

You must have passed the PRINCE2® Foundation Exam before attending the PRINCE® Practitioner Course. Ideally you should have attended a PRINCE2® Foundation course or completed a PRINCE2® Foundation E-Learning course.

At Course Completion:

On completion of this course you are expected to be able to:

- Understand the format of the PRINCE2® exam.
- Understand and have experience in answering the different styles of questions used in a PRINCE2® practitioner exam.
- Know how to take a provided scenario and answer questions with regards to it.
